Foreword

After last week's games the top 4 sides have firmly established themselves and unfortunately even at this stage of the season the final 4 looks settled.

Armada by their victory over Kwinana firmly entrenched themselves in the 4 and also crushed Kwinana's hopes. If Armada are to go any further they cannot afford any losses against lower sides and concentrate for the whole game.

Canning remained undefeated however it was not a good performance. Kelmscott after having 5 more scoring opportunities can only blame themselves as they really needed those 4 points.

Mandurah (as predicted) won their first game. Congratulations. Kalamunda obviously took them too easily and as many teams can tell Mandurah at home are a very good side.

Gosnells won in a canter. Thornlie can only improve on that effort.

Maddington proved too strong for Kenwick however the conditions would have suited them far more than Kenwick. Kenwick will continue to improve and are the best side out of the 4.

TODAY'S GAMES:

Kelmscott v Kalamunda Kalamunda to return to the winning list.

Kwinana v Canning. Canning to win narrowly.

Gosnells v Mandurah. Gosnells at home will be far too strong.

Kenwick v Thornlie. Kenwick (enough said)

Armada v Maddington. Armada will suffer their second defeat for the season.

TALK OF BULL

As was expected, last weeks encounter with Kenwick proved to be a very dogged affair with the Bulls only gaining the ascendancy in the final quarter.

With injuries to several players, including our two leading rovers, it was felt we may lack some zip around the packs. This was shown to be incorrect as the two substitute rovers in Leon Henry (1st game) and Tony Goadby turned in great performances and used pace to pick up many kicks.

Ross Palmer again played very strongly at fullback until he had to leave the ground and centreman Milan Trifunovic, after a slow start ran into top form. It was Milan's ability to run on and gather kicks in the last quarter that put the final result beyond doubt.

The seconds produced their most determined effort for the season, and it was heartening to see them still kicking on in the last quarter when all seemed lost. A lot of spirit developed in the side as the game progressed and although we lost — there were times when we could have taken the game away from Kenwick.

Best Players on the day included Mick O'Halloran, Trevor James and "Horse" Congdon.

Last week saw Jim Butler play his one hundredth league game for Maddington. Jim has been a great player over many seasons for the Bulls and in particular the last few seasons he has established himself as the best full-forward in the competition. Over the years he has gained the respect of all players and is truly a credit to the game.

Congratulations to Mr and Mrs Owen Ashby on the birth of their baby girl last week. Some baby, she weighed in at 9lb 15oz.

Thanks are extended to Lorraine Walker and her hard working Ladies Committee on the way they efficiently perform their tasks in the canteen every home game. Their efforts are greatly appreciated by all who use these facilities. Keep it up girls.

"DID YOU KNOW"

Law 13: Holding the Ball — Holding The Man.

Remember the spirit of this Law is to keep the ball in motion:

(a) A player in possession of the ball, when held by an opponent firmly enough to stop him or retard his progress should be given a reasonable chance of disposing of it by kicking or handballing, otherwise a free kick shall be awarded to his opponent for holding the ball.

(b) A player who lies on or over the ball is deemed to be in possession of it.

(c) A player not in possession of the ball, when held by an opponent, shall be awarded a free kick.

(d) When a player claims a mark, the ball having been touched, and retains possession when held by an opponent, if the Field Umpire is satisfied the player has not heard his call, "Play on", no free kick shall be given, and the ball shall be bounced. But if the ball has been taken away from the player by another player the Field Umpire's call, "Play on", shall hold good.

(e) If a player is in the act of kicking or handballing, and he is swung off his balance, and his foot or hand does not connect with the ball — play on.

If a player is bumped and the ball falls from his hands — play on.

When a player has the ball held to his body by another player — ball up.

When a player is knocked on arm or elbow, causing him to drop the ball — play on.

When a player has his arms pinned to his sides, causing him to drop the ball — play on.

Subject to the provisions of Law 13(a), a player pulled by one arm or swung — ball falls from hand — play on.

The spirit of the Law is to keep the ball in motion.

THE LIONS

Winter struck bringing wild and wet conditions at "home" last Sunday for the match against Gosnells. In the reserves game another team effort helped keep the difference in the scores down — good to see, with better players Mark Fredricks, Bruce Deters and Alex Nie (having an impressive season).

League: Again 100% given by players, although a big goal difference on the board. 100% determination is all any coach can ask for. Injuries are hindering the side at the moment, and more were added today. Worthy of a mention Steve Phillips, Dennis Evans and Neil Corker.

Pleasing to see the club operating smoothly at present with President Comley leading the committee and others lending a hand, from the kids collecting rubbish to the "Chicken Ticket Sellers" Much appreciated!!

SOCIAL NOTES:

Don't forget the Quiz Night this Friday 27th, good prizes and plenty of fun for all. Book early for tickets to the Annual Ball July 8th. A strong committee working for the kids and backing us up also. This helps the club's growth for the future — a force to be reckoned with.

Keep Roaring,
Happy Days.
MRS. LEO

LION OF THE WEEK:

Reserves Captain Alex Nie having a good season and winning votes. Has given the club loyal service in the 2nds for several years and has won his fellow players' respect and makes a lot of sense on and off the field. Doing a great job as Secretary, also.

THE TIGERS

Inclement weather conditions and an amazingly incompetent display of central umpiring were features of last Sunday's match against Kelmscott.

Little can be done about the who controls the weather, but in his name it must surely be about time something was done to recruit a better standard of umpire in this competition. It is a grossly anomalous situation when what is indisputably the strongest competition outside the W.A.N.F.L. has its brand of football hampered week after week by the one person who has the power to define the perimeters for an exciting game of Australian Rules Football — The Central Umpire.

Clubs in this competition are currently outlaying unprecedented sums of money to field their strongest possible sides, many have

FOOTBALL GAZETTE 8

THE KNIGHTS NOTES

Once again, if we look at last week's requests and compare what actually happened we come to another dead end. All players were asked for a special effort in producing 100% football for 100 minutes, however this was not to be.

Both sides showed in the first half they are capable of good teamwork football, but the half time break appears to put half the players to sleep. When all players are prepared to put themselves behind their respective coaches and teammates we may get some winning results. Many players have recently expressed their dissatisfaction of training with depleted numbers at training. It is "still" up to the players to combine as a unit and give us a big improvement on the winning side of football circles.

BEST PLAYERS: Reserves — T. Riseberry, T. Read, B. Keep, S. Muir.

League — F. Legena, G. Cukrov, J. McBride, J. Legena and T. Davis (First half).

Tickets are still available for the ball on June 3rd from any committee member. Book your table now.

Today we meet Canning at home and I feel that if we play TWO halves of football we can achieve our first home double of the season.

"MAKE IT HAPPEN"

KING ARTHUR

licensed premises costing in excess of \$80,000, and all rely heavily on the spectator appeal of the game to recoup these amounts. A game that is forcibly depressed into school-boy standards by inconsistent displays of umpiring and unbelievable lack of knowledge and interpretation of the laws of the game scarcely enhance this possibility.

In my opinion the answer is simple — we are an affiliated body of the W.A.N.F.L. and should make use of their umpires panel. The expense and trouble that is required to maintain our own umpiring panel is not even remotely worth the effort.

These comments come from a club who has not lost a game this season and consequently do not signify an attitude of "sour-grapes".

WINNERS EVERY TIME FOR
QUALITY FOOTWEAR AT THE RIGHT PRICE

SEASIDERS

Well our persistence and hard work has finally paid off with a well earned win over Kalamunda. Congratulations to our players and especially coach Col. Beard who made a magnificent contribution kicking eight goals.

Even though the weather wasn't suitable for good football, the kicking and marking was of a high standard. Greg Rundell, Geoff Smith and Bill Lawler again played well but it was a team effort capped off by good kicking at full forward that won the game.

The win has given players, members and committee a great lift as was evident in the clubrooms after the game. It was also heartening to see so many Kalamunda followers stay and enjoy a friendly drink, after all that's what the game is all about.

The reserves again played well but their poor kicking at goal let them down. As against Armadale they registered more scoring shots but its goals that win a game not a parcel of points. Being a young side and with a small amount of luck and a little more application they are sure to win many more games this season.

Today we meet Gosnells on their home ground and we hope to see many members and supporters along to urge our team along.

THE BULLDOGS

Due to overwhelming response the Bulldogs bulletin is back in print. Last weeks games saw a rejuvenated attitude in the Bulldogs camp.

The Reserves game was fought out in trying conditions at Wyong Oval with Kelmscott the victors by four points although Canning are on the bottom of the ladder they put up a fine performance ven when wet weather is often thought as a great leveller of sides.

Best Players: T. Bewsher, G. Scari, I. Clark, R. Flowers and Magic Foot Turner.

The League game developed into a hard flogging game with both sides giving every-

MIGHTY ROYALS

Last week we travelled to Maddington and had a good win in the reserves match. Although it was raining all day, our players used the slippery ball better than the Maddington players and as a result we won the game by a couple of goals. It was good to see the old man, Darryl Ogg, playing his best game of the season. He worked real hard in the ruck and around the ground and did a lot to bring the small men into the game. Wayne Hanson played easily his best game of the season. He used the greasy ball with great assurance, and, like Ken Staines played intelligently under the conditions. Ken has played well in every game this season and should be well rewarded if he holds his form for the rest of the year.

The first half of the league match was played with constant pressure being applied by both sides. The third quarter saw Maddington move ahead just slightly and we were still there with a chance. However, in the final quarter, we were over-run by the opposition and they went on to win very easily. John Risely again tried very hard but his game doesn't seem to rub off on too many of our other players. Gary Worthington was an effective player for the whole of the game. He tried everything to get the ball into our forward line, but we couldn't do anything with it when we got it there. Ken Tyler played very effectively at centre half back, as did our roving pair of Alf Stal and Geoff Truscott. This week we are home to Thornlie and we should not think it's going to be easy just because they are on the bottom of the premiership table.

Don't forget to sell your raffle tickets quickly as there are plenty of books left.

HAVVA

thing, unfortunately the Bulldogs lost on the scoreboard but credit must be given to the way they fought out the game. Some of the decisions appeared hard to understand but then criticism of umpiring seems to be an excuse which is often misunderstood.

League Best Players: A. Hildebrandt, B. Miles, J.R. Bradley, G. Mezger, K. Barrett and B. Andrijich (Until he got one below the belt).

In response to last weeks editorial the Bulldogs are far from mothballs in fact they will make the critics eat their mothballs.

On the Social Side remember the 80th Anniversary Ball on the 1st of July it promises to be a great show and all members and supporters are urged to attend.

DEMONS DIGEST

Today we are at home for the third time in a row (why the fixtures cannot be made on a home, away alternately, is beyond me!) this time as hosts to last year's double premiers from Maddington, the "Bulls". All our visitors are invited to attend our very friendly after-match social. Our thanks go to Kwinana for their support at last week's social.

Last week against Kwinana, winter came with a vengeance and gave the Demons their first wet-game test, for this season. The League side seems to have reversed their best quarters from last year by making the third and final quarter their best quarters. The effect is that they win their games, but not without giving their supporters gloomy expectations after the first two quarters. After being more than five goals down at half-time, the Demons knew that the third quarter would make or break them. Well, they made it, restricting Kwinana to one point for the quarter, and entered the final quarter with their noses just in front. The one player, more than any other, to lead that tremendous non-stop attack to get back and win, was Ross Stephen. A tremendous personal effort Ross, and the example was quickly followed by the whole team. The return of Pete Gajda to the League side saw a performance that was pure vintage "Sneaky Pete". Even "Killer" (Abdul) Davey got into the game this week, his first for the season. Congratulations to the whole side, and to Steve Hunter for earning his league debut in this game.

The Reserves made the third double for the club this season with a well deserved win. The teamwork and attitude to this game pleased the coach Rowie no end. Moral is at an all-time high, in the right mood for today's game. Well done fellas, keep on Demons' on.

The Under 16's continued their unbeaten run last week at Gwynne park, when they beat Kelmscott by more than six goals. However the coach Charlie Tenardi is not impressed with the standard of teamwork football. Just remember this fellas, you're unbeaten, NOT UNBEATABLE. At this game, Charlie was most concerned at the hostile, abusive and sometimes threatening behaviour of the Kelmscott supporters towards the Armadale players. This is not sportsmanship, least of which, we expect from our neighbours and friends, for the two clubs have a good relationship, and we want to keep it that way.

MAL ATWELL. If you read this column, thanks for the fine talk you gave us at our social on 12th May.

PEEGEE

THE HAWKS

The ground at Thornlie Oval was scorched at the end of play last Sunday where the Mighty Hawks were running hot and took out a treble in devastating fashion. The league side produced an outstanding game, crushing the opposition by a margin of 26 goals and when you take the inclement weather into consideration, this high score is a true reflection of the ability our league players possess. Thornlie players on the other hand are to be commended for the way in which they remained in complete control of their frustrations and continued to play clean football throughout. League players who played better than average were Ken Harris, Bar Woodhead, Trevor Williams, Mark Smythe, Jeff Reynolds and Murray Jones who came on in the second quarter and proved an integral cog in the match winning machinery.

As predicted the Reserves team redeemed their loss of the previous week with a comfortable victory over Thornlie winning by a margin of 6 goals. Best players for the Reserves were Tim Barker, Carl Palinkas and Gimblett.

The Under 19's again stood the club proud when they registered their finest victory in terms of high scoring — registering a winning margin of 31 goals. The players are to be highly commended for their enthusiasm and dedication at training and all their hard work is bearing fruit and reflecting on the scoreboard. Praise must be given to all those associated in preparing the Under 19's into a most formidable side. It's great to see satisfaction being enjoyed by Kevin Jenyns who has stuck with the team over a long period and his efforts as trainer is paying dividends.

Congratulations to Trevor Williams and his lovely wife on the occasion of their wedding which took place last Saturday. Trevor in true dedicated fashion fronted for the game next day and put in a great performance.

SOCIAL:

WINE TASTING AND CABARET MAY 27.

Venue: Percy Garrett Social Hall
